

# COMMUNITY ACQUISITION & REHABILITATION LOAN

## ELIGIBLE AREAS

Please note that the boundaries for eligible CARL areas are determined by Census Tracts\*. The CARL program is offered in 57 census tracts within the City of Pittsburgh. There may be several eligible Census Tracts within a neighborhood. Census Tracts are shown next to the corresponding neighborhoods.

\*The Census Tract for a property can be found here:

- Select the "Current Year" in the drop-down menu.
- Enter the address of the property (include street number, street name, city, and zip code) and click "search".
- Click "Census Demographic Data" on the left. The Census Tract will be shown on the left next to "Tract Code" and on the map within the Census Tract boundaries (the red dot indicates your property location, and the blue lines immediately surrounding the red dot indicates the Census Tract boundaries).
